Note:

- The service provides the right to use, occupy and physically access NetLink Trust's duct and manhole space on a non-exclusive basis for the purposes of installing, deploying, operating, maintaining, repairing, testing and removing customer cables for the sole purpose of providing telecommunication services.
- Standard service does not come with any SLA/SLG.
- The Standard service excludes access to NetLink Trust's lead-in ducts and associated lead-in manholes. This will be provided under NetLink Trust's RAO.
- All prices in the tariff table are quoted on a per kilometre and per annum basis.
- Standard service charges includes O&M for ducts and manholes.
- Charges are payable monthly in advance.
- Charges applicable on a per cable basis. Cable refers to any cable installed by customer up to a maximum diameter of 35mm.
- Cable length calculated based on length of duct plus 3 metres for every manhole accessed by the cable.
- Customer may be required to provide a security deposit of either \$20,000 or three (3) times the monthly invoice amount, whichever higher.

NetLinkTrust

the fibre of a smart nation

- One-time charges applicable under the Standard service will be the same as those applicable under NetLink Trust's RAO for duct and manhole access.
- If the tenure or length required is not found, please contact us.
